ABOUT TRUSTECH

The event was first held over thirty-five years ago to promote the new-born technology of smartcards. In 2016, it was re-named TRUSTECH to better reflect the way the industry is evolving towards trust-based technologies. A popular mix of trade show and conference, TRUSTECH showcases the latest hardware and technologies involved in the markets related to Payments, Identification and Security. The event is back to Paris, Porte de Versailles from 30 November to 2 December 2021. www.trustech-event.com
