

TRUSTECH 2019

Focus ON

Payments, Identification and Security

From 26 to 28 November - Palais des festivals Cannes

From **26 to 28 November 2019**, professionals of the cards and digital trust technologies industry will be once again taking centre stage at TRUSTECH, **the** annual meeting place of their ecosystem at the Palais des Festivals in Cannes (French Riviera).

Payments, Identification and Security will be the buzz words for this 3-day event offering a packed schedule of business, quality content and networking to the **8 000 expected attendees** from all over the globe.

This year visitors will benefit from a **FREE and unlimited access** to the event **covering both the visit of the exhibition** and attendance to the **conferences**

2019 trending tracks dedicated to secure transactions

[The 2019 conference](#) will focus on the 3 main themes aligned with the TRUSTECH key exhibition offering: Payments, Identification and Security. A panel of international speakers and thought leaders from the payments, financial services, identification, technology and data security sectors will share their insights across the multiple conference sessions held during the 3 days.

Conference tracks include:

- [How African Governments are facing identity Needs and Challenges](#)
- [Identity schemes in Europe](#)
- [Biometrics and Smart Travel](#)
- [Banking IDs and Financial Authentication](#)

- [Payments and Secure Transactions](#)
- [Brand Protection and Anti-counterfeiting Authentication](#)
- [Data Privacy: new scale and global reach](#)
- [Blockchain and Artificial Intelligence: new technologies for Identity and Authentication](#)
- [Digital Trust and Cyber-resilience](#)

Focus on Digital Identity in Africa

TRUSTECH is delighted to host the inaugural meeting of the OSIA Advisory Committee on 26 November 2019 in Cannes. A delegation of 12 African Countries will visit the event during 2 days. The members of the Committee meeting will take part in the conference on 27 November dedicated to digital government identity issues from 10 am to 1.00 pm..

Innovation Stage

Now in its third year, the Innovation Stage will provide a high-level introduction to the latest developments presented by exhibitors. Packaged in a fast-moving format, consisting of 5 minute pitching sessions grouped around a related theme, attendees will be able to follow up to 10 presentations in an hour and get a good understanding of the advances and benefits of new solutions, product launches and new concepts.

One-to-One meetings with experts to enhance business

TRUSTECH offers exhibitors and visitors the possibility to benefit from business meetings. This free service allows them to meet up with industry experts in order to accelerate the development of their projects and expand business beyond borders.
