SUCCESSFUL BET FOR THE 2021 EDITION OF TRUSTECH, THE LEADING EVENT DEDICATED TO PAYMENT, IDENTIFICATION AND SECURITY.

From 30 November to 1 December 2021, the card and digital trust technology industries were in the spotlight in Paris at the Paris-Expo Porte de Versailles exhibition centre for the 2021 edition of TRUSTECH. Business meetings, innovations, content and networking were the key words for participants from 92 countries.

With more than **100 international experts, 230 business meetings and 90 conferences & innovation pitches organised**, TRUSTECH 2021 was the scene of inspiring exchanges to discover the latest innovations, develop brands and identify solutions to the challenges of identity, security and payment, real pillars of the digital transition for institutional or commercial organisations.

"The 2021 edition lived up to the expectations of the industry! The recovery was there, business was booming, and innovations were on the agenda... A panel of international speakers and thought leaders from the payment, financial services, identification, technology and data security sectors shared their views through the multiple conference sessions organised over the 3 days" adds a **Marie LAGRENÉE, Trustech Director**.

THE 2022 EDITION OF TRUSTECH WILL BE HELD FROM 30 NOVEMBER TO 2 DECEMBER 2022

ABOUT TRUSTECH:

The event was first held over thirty-five years ago to promote the new-born technology of smartcards. In 2016, it was re-named TRUSTECH to better reflect the way the industry is evolving towards trust-based technologies.A popular mix of trade show and conference, TRUSTECH showcases the latest hardware and technologies involved in the markets related to Payments, Identification and Security. The event in back to Paris, Porte de Versaille from 30 November to 2 December 202.
